C. Performance Measures

Please provide the following information.

C.1. OBJECTIVE OF PROJECT

Identify which objective will be addressed by the activity proposed in this application. (Choose only one objective:)

Suitable Living Environment - This objective relates to activities that are designed to benefit communities, families, or individuals by addressing issues in their living environment.

Decent Affordable Housing - This objective focuses on housing programs where the purpose of the program is to meet individual family or community needs and not programs where housing is an element of a larger effort.

Creating Economic Opportunities - This objective applies to the types of activities related to economic commercial revitalization or job creation.

C.2. EXPECTED OUTCOME OF PROJECT

Identify which outcome category best reflects what you are seeking to achieve (the results) in funding this particular activity. (Choose only one outcome:)

Availability / Accessibility - This outcome category applies to activities that make services, infrastructure, housing, or shelter available or accessible to low and moderate income people, including persons with disabilities. In this category, accessibility does not refer only to physical barriers, but also to making the affordable basics of daily living available and accessible to low and moderate income people.

Affordability - This outcome category applies to activities that provide affordability in a variety of ways in the lives of low and moderate income people. It can include the creation of maintenances of affordable housing, basic infrastructure hook-ups, or services such as transportation or day care.

Sustainability: Promoting Livable or Viable Communities - This outcome applies to projects where the activity or activities are aimed at improving communities or neighborhoods, helping to make them livable or viable by providing benefits to persons of low and moderate income, or by removing or eliminating slums or blighted areas through multiple activities or services that sustain communities or neighborhoods.

D. Project Information
