

How NJ Can Help: Other Programs

NEW JERSEY SHARES (NJ SHARES)

NJ SHARES is a non-profit organization that provides assistance to income-eligible New Jersey households for paying their energy, telephone, broadband (internet), and water bills. Apply online at www.njshares.org or call 866-657-4273 for more information.

WINTER TERMINATION PROGRAM (WTP)

WTP protects residential customers from disconnection of natural gas and electric service from November 15th - March 15th if they participate in: USF, LIHEAP, Lifeline Utility Assistance Program, Pharmaceutical Assistance to the Aged and Disabled (PAAD), Work First New Jersey/Temporary Assistance to Needy Families, or Federal Supplemental Security Income (SSI). Also, persons unable to pay their utility bills because of circumstances beyond their control may request the protection of WTP. Customers should make every effort to pay as much of their bill as possible during the WTP period to avoid a large overdue balance at the end of the WTP.

How do I enroll in WTP?

Call your utility company to request WTP protection. For more information, or if you have a complaint about your utility company, call the Board of Public Utilities at 1-800-624-0241.
