Proof of Rabies Vaccination or Exemption

All applications require a copy of the rabies vaccination certificate showing it to be valid through the license period and attached to this application when filed. If your Veterinarian is exempting your dog from this vaccination, New Jersey State Law [8:23A 4.3](#) requires that a duly licensed veterinarian certifies in writing that the dog is incapable of being inoculated because of an infirmity, other physical condition, or regimen of therapy. We require the original exemption letter or the New Jersey Department of Health (VPH-28) "CERTIFICATE OF EXEMPTION FROM RABIES VACCINATION FORM" showing it to be valid through the license period and attached to this application. <https://www.nj.gov/health/forms/vph-28.pdf>

A \$5.00 late fee is required for anyone who fails to renew his or her license by June 30, 2023 <http://www.jerseycitynj.gov/>
